

INSTALLING THE BRAVO P.P.S.

Your BRAVO P.P.S. diskette includes the file SETUP.EXE. This file automates installation of the software onto either a removable diskette or a hard disk.

- Place the BRAVO P.P.S. diskette (5-1/4" No.1 or 3-1/2") in your A drive.
- Type **A:** and press ENTER, then type **SETUP** and press ENTER.

A copyright and version-number screen will appear with the instructions "Press Any Key to Continue." Press any key; the instructions below will appear:

MOTOROLA Radio Service Software BRAVO Plus Ver: R03.00.00 Setup Program	
<p>If your computer only has two floppy disk drives OR if you plan to run the BRAVO Plus Programming Software from a removable disk, you should follow these steps:</p> <ol style="list-style-type: none">1.
